Dear Lyle D. Jaffe:

Mr. Jaffe , I just wanted to let you know I support the petition to ban the forced molting of layer hens. I have now officially stopped buying store bought eggs and intend to stop eating eggs all together. What is done to these hens to possess these eggs sickens me. Starving them for up to eight weeks and being deprived of food and water is not worth a dozen eggs. I cannot imagine the hell they go through to give Americans a hearty breakfast in the morning! We must stop these atrocities.

Sincerely,

Morgan Rainwater
